

# Premium Managed Email Hosted Exchange

Powered by Microsoft Exchange Server

**NEC's offering of Hosted Exchange Premium Managed Email powered by Microsoft Exchange Server provides enterprise grade email as a service at a monthly fee.**

- **Email wherever you are:** Access Email, Contacts, Calendar, Public Folders, Archive Folders, Meeting Planner and Task Lists when away from the office – all you need is an internet connection or a suitable mobile device to access your e-mail. Hosted Exchange by NEC supports mobile device synchronisation to either your iPhone, Blackberry, Pocket PC, Windows Mobile and even most late model Symbian devices including Nokia devices. This means that you will never miss another important e-mail or appointment.
- **Data security and Redundancy:** All mailbox plans come with in-built spam and anti-virus filtering in the cloud. In addition, when using Managed Exchange a copy of all your data is stored in NEC's Data Centre, providing you an automatic mail archiving solution in the cloud.
- **Software as a service:** Hosted Exchange by NEC is a true SaaS solution. This means there are no upfront software licensing costs involved. You simply pay a monthly fee per user to get access to your mailbox.
- **Fully managed hosted offering:** Hosted Exchange hosting and support is provided by NEC. This means you require no servers or infrastructure on your premises to run your e-mail systems. No more waiting for IT staff to get things done.
