

# UNIVERGE® SP350

Soft client for Laptops & PCs

## Empowering the Smart mobile worker

Take advantage of a multimedia IP network in the office or on the road with UNIVERGE Soft Client SP350.

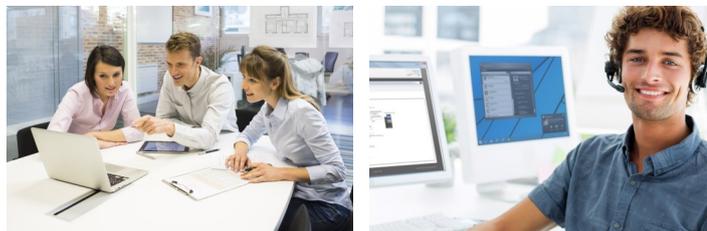

Employees need the flexibility to work from anywhere and having a fully featured softphone on their laptop will allow them to work in the office, at home or while travelling.

This convenient mobility tool lets you communicate from your PC or Laptop with high quality audio. SP350 saves time, improves productivity and reduces your total cost of ownership.

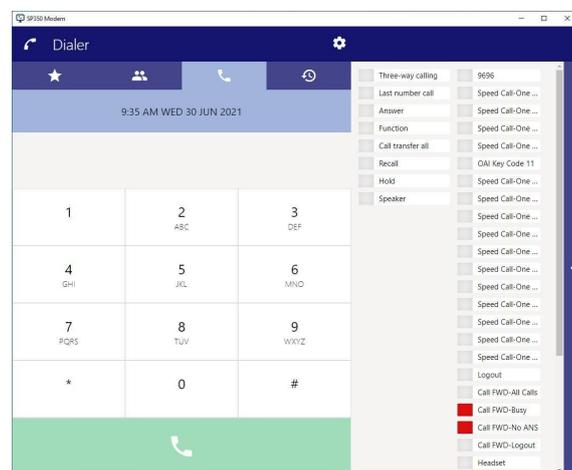

### The SP350 offers:

- > **Simple and easy to use** intuitive graphical user interface means SP350 is easy to use, but also delivers the telephony capabilities you expect from an NEC phone.
- > **Click to Dial** directly from Outlook.
- > **Drag & Drop** to call from Microsoft Teams.
- > **Search** "Phone book", "Contacts", and "Call history".
- > SP350 can be integrated to your **corporate directory** for always up-to-date information.
- > **Application or toolbar modes** allow SP350 to adapt to your working needs.
- > **Multiple skins** allows you to tailor SP350 to your needs.

# Work anywhere
