

Chief Operating Officer

Mike Barber

Biography

About

Mike Barber and his management team are orchestrating NEC Australia's elevation to a top tier ICT provider by the delivery of innovative, customised technology solutions and services through a diversity of talent, industry partnerships and strength of customer relationships.

Mike was appointed to the role in April 2016. He was most recently Executive Director of IT Solutions & Services, with responsibility for the company's infrastructure and applications operational services across Australia. Mike retains his position on the NEC Australia board.

He has over 37 years' experience in both the private and public sectors. For the last 20 years of his career, Mike has been actively involved in the IT Services industry holding account, sales and senior management roles with companies including EDS, HP and CSG. Mike joined NEC in 2012 with its acquisition of the Technology Solutions Division of CSG

His qualifications include a Bachelor of Business (MIS); Associate Diploma in Computer Applications and a Business Certificate in Accounting. He is also a Graduate of the Australian Institute of Company Directors.
